Lumber Liquidators Chinese-Manufactured Laminate Flooring Durability Marketing And Sales Practices Litigation  
Case No. 1:16-md-02743 (AJT/TRJ)

United States District Court for Eastern District of Virginia Alexandria Division

Clerk of Court

United States District Court for the Eastern District of Virginia  
401 Courthouse Square  
Alexandria, VA 22314

I object:

The reason why I'm objecting is for two reasons:

- the first reason is because I got lung cancer as a result of the outgassing of formeldyhyde flooring
- It is extremely hard to choose to EITHER get the cash settlement or the store credit when the figures are so uninformative. I was told that if I choose the cash option I can get reimbursed at 28%-72% or the store credit is from 50%-134%. What does that all mean? Can I get a better estimate than having such large differences?

I have not been a party nor objected to any class action settlements/lawsuits. And I do not intend on attending the hearing.

Enclosed is a copy of my receipt at Lumbar Liquidators that shows my purchase. I also enclosed a copy of my Lumbar Liquidators Claim Form. However, I am unsure of what to select (either the store credit or the cash reimbursement) because of the reasons stated above. I also do not want the store credit selection to be automatically selected if no other selection is made.

Sincerely,

Janet Goetz

**Am I a Class Member?** According to the records of Lumber Liquidators, you are a class member in the **CARB2/Durability** settlement class. This means you purchased Class Flooring between January 1, 2011 and May 31, 2015.

**What Does the Settlement Provide?** The settlement will provide eligible CARB2/Durability class members a portion of their purchase price back in either (a) cash or (b) a voucher that can be used at Lumber Liquidators. The vouchers are transferrable among family members as described at [www.LaminateSettlement.com](http://www.LaminateSettlement.com). Eligible class members who file an Approved Claim may choose the cash award or the voucher, but not both. *If you fail to make a selection or select both, you will receive a voucher.* The total value of the settlement is \$36,000,000, consisting of \$22,000,000 in cash and \$14,000,000 in vouchers. In addition to repaying class members, the cash portion will be used to pay attorneys' fees, costs, expenses, and incentive awards.

The awards will be allocated on a pro rata basis. This means that the final amount each participant receives is unknown until all Settlement Class Members have decided if they will participate and select cash or a voucher as their benefit. Based upon past settlement data, CARB2/Durability Class Members selecting the cash award could receive about 20%-56% of the purchase price of their flooring—this benefit does not include the cost of installation. Class members selecting a voucher can expect 38%-104% of their purchase price.
